Requests for Satisfaction of Judgment

The Department of Child Support Services is committed to providing excellent service to our customers. In order to ensure equitable and fair responses to all requests for demands and satisfactions of judgments, we have developed a form that will assist us in processing your requests. This form, completed accurately and in its entirety by your office, will help us to service your demand expeditiously.

We handle all requests in the order of receipt and, if the judgment is satisfied, within the 15-day timeframe as provided in Section 724.050 of the Civil Code of Procedure.

To further improve efficient processing of your requests, please do not provide the direct telephone numbers of our staff to your customers, as the time taken to answer these duplicate calls takes staff away from processing your requests.

We thank you in advance for your cooperation in this matter allowing us both to ensure quality service to our customers.
